## **Corporate Sponsorship Maui's Upcountry Safe Water Fair**

### **Sponsor Benefits:**

- Space for signage at activity booth.
- Acknowledgement in the Fair program.
- Opportunity to hand out information about the company, business or organization and solicit clients.
- Opportunity to be a part of a community based and attended event intended to reach the greatest number of the upcountry residents to pass on information important to the health and well being of them and their children.

### **Sponsor Responsibilities:**

- Sponsor would be responsible for the execution of chosen activity at the Fair as long as such activity is in keeping with the water or safe water theme.
- Sponsor would be responsible for the people to run the activity.
- Sponsor would be responsible for any supplies, props and prizes for their booth and activity.
- Clean up of sponsor's activity site.
